

CHABLIS GRAND CRU "LES CLOS"

96

"Some very exotic fruit with ripe peaches, mangoes and melon, as well as notes of lemons, grapefruit and flinty minerals. The palate has a vibrant sleeve of acidity that creates attractive tension and density. A very powerful wine that needs time."

CHABLIS GRAND CRU "BLANCHOT"

95

"Some very attractive exotic fruit here with mango, papaya and melon, as well as peaches and more. A riot of fresh fruit and some gentle reductive funk that works well. The palate has a powerful core with exceptional depth and seamless, fleshy drive. There's a lot to like here."

CHABLIS GRAND CRU "PREUSES"

94

"An exotic and quite ripe, almost candied edge, but this is underpinned by extremely assertive acidity that really bites and lights up the palate. This has richness and that trademark Preuses acidity, bringing a lemon sherbet-like spark on the finish."

CHABLIS 1ER CRU "FOURCHAUME"

93

"Attractively exotic fruit aromas with an air of striking purity and freshness. The palate delivers a steely resolve with a superb core of fresh and fine acidity, carrying long and deep into the dry, crisp finish. Great wine."

CHABLIS 1ER CRU "MONT DE MILIEU"

92

"A very light and fresh nose with a cool, stony mineral edge. The palate is super plush and smoothly rendered with bright, fleshy fruit, carrying long and even. Great tension here."

CHABLIS 1ER CRU "MONTMAINS"

92

"There's attractive, bright fruit on offer here, in the ripe-mango, peach and nectarine zone. Attractive wild flowers, too. The palate has a super succulent core of vibrant acidity with a wealth of fresh mangoes and peaches. Long, smooth finish."

CHABLIS 1ER CRU "VAILLONS"

92

"Some attractive stony and chalky aromas, as well as white peaches and hints of yellow grapefruit. The palate has a great sense of detail and composure. Very tight with good density and weight and a tense finish."
