Drink: 2021 - 2026

**16.5 points - Simonnet-Febvre 2017 Chablis Fourchaume Premier Cru**

Lightly honeyed nose. Good crystalline fruit with really racy edge. Drink: 2022 - 2029

**16+ points - Simonnet-Febvre 2017 Chablis Blanchot Grand Cru**

Tank sample. Low-key nose but a suggestion of hidden depths. Good chiselled freshness on the palate. Probably worth waiting for. Drink : 2023 - 2030

**16.5 points - Simonnet-Febvre 2017 Chablis Preuses 2017 Chablis Grand Cru**

Tank sample. Something quite floral on the nose. Edgy and fairly stony. Pretty classic even if not ethereal. Drink: 2023 - 2030

**16.5 points - Simonnet-Febvre 2017 Chablis Les Clos Grand Cru**

Tank sample. Much richer on the nose than Les Preuses and Blanchot from the same producer. Honey and a strong suggestion of sweet oak. Almost bitter on the end thanks to a certain oiliness. This needs lots and lots of time. Drink: 2026 - 2040
