Simonnet-Febvre
Chablis 2019 « Vaillons »
Premier Cru, Chardonnay

Cellar Selection

'Whiffs of yeast and sun-dried hay mingle into pert yellow cherry and greengage plum in this full-bodied but sharply honed Chablis. Pristine in fruit profile and bracing with acidity, it's a cool-toned, classically styled Chablis despite the hot vintage. Elegant in youth, it will likely improve through 2035'.

92

Simonnet-Febvre
2019 « Montmains » Organic
Premier Cru Chardonnay Chablis

'Apple and greengage plum are accented by hints of smoke and sandalwood in this moderately full-bodied white. Sourced from organically grown grapes and vinified entirely in stainless steel, it's ripe and concentrated but maintains a nervous tension and mineral freshness throughout. The wine is ready now but should improve through 2030.'

Simonnet-Febvre 2019
« Côte de Léchet »
Premier Cru Chardonnay Chablis

'Fresh yellow-plum and white-peach flavors are struck by tangs of salt and crushed stone in this plump, juicy expression of the Côte de Léchet. While full bodied and creamy on the palate, it's balanced neatly by fresh lemon acidity and a lingering, subtly earthen finish. The wine is ready to drink now but should improve through 2030.'

Simonnet-Febvre
Chablis 2019
Chardonnay

'Pretty white blossom notes perfume this medium-bodied wine. White melon and pear flavors are briskly concentrated, accented by hints of chalky oyster shell and lime acidity. It's an easy-drinking but classically structured Chablis, best enjoyed young.'
