👑 SERVING TEMPERATURE

Between 10° - 12°C.

SITUATION

This vineyard found on the right-hand bank of the Serein river has a south-westerly aspect. This area produces an unusual wine of exceptional quality and mineral purity that ages well.

TASTING AND FOOD PAIRINGS

The 2024 Chablis Premier Cru Montée de Tonnerre displays a bright, crystal-clear, pale yellow colour with golden highlights.

The nose is intense, elegant, and beautifully complex. It reveals aromas of citrus, candied lemon, white peach, pear, and white flowers, accented by notes of chalk and flint. As the wine opens up, delicate nuances of dried fruit and fresh almond enrich the ensemble.

On the palate, the attack is round, precise, and boasts remarkable tension. The body, both powerful and chiseled, strikes a perfect balance between richness and freshness. Flavours of citrus and white-fleshed fruit are supported by a deep, saline minerality, lending the wine great elegance and depth. The finish is long, direct, and persistent, marked by crystalline purity and a chalky imprint characteristic of Chablis' finest terroirs.

The 2024 vintage highlights the full nobility of Montée de Tonnerre, a benchmark Premier Cru renowned for its intensity, finesse, and exceptional ageing potential. It will pair ideally with lobster, langoustines, sea scallops, fine fish in sauce, Bresse poultry in cream sauce, as well as aged hard cheeses.
